

DOMOSTIR PLIA

Folding vacuum table for household.

Product code: 2005

DESCRIZIONE: The power and performance of a professional ironing table have been redesigned for the home. Obtain professional results, while saving time and effort. |

MAIN FEATURES

Professional features for a perfect finish

An easily operated pedal controls the suction fan which immediately dries the clothes after being pressed by the steam iron. A heating device keeps the ironing table perfectly dry.

Foldable

When folded, the Domostir Plia takes very little space, it can be easily stored.

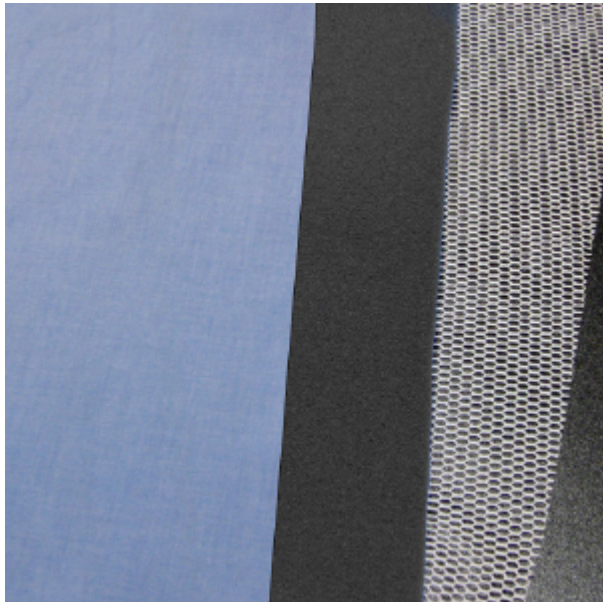

Portable

The convenient handle allows moving the table.

With wheels

The folded table can be moved easily, without effort, using the built-in wheels.

Pronto Top® pad & cover

Gray polyester foam padding.

Height adjustment

The table is adjustable in height and enables smooth ironing operation avoiding tiresome positions.

Garment tray

The convenient garment tray prevents large items to fall on the floor while being finished.

Support for separate iron & boiler

For Domina.
